

Dam: Prairie Peak's Adleys April Fool (Remi)

Sire: Gosch's Cir Conn (Cedar)

D Litter

DOB: April 9th, 2021 6 Males and 3 females

This was a repeat breeding with Remi x Cedar. It was a great litter and we tried many new experiences with them and they turned out great! As of 11/4/2021 they have been out hunting and are doing great for their first season! Pups went to North Dakota, Colorado, and Minnesota.
